### New Student

There is a new girl in the ninth grade at EHS named Brenda Spann. She was going to Manatee High School in Bradenton, Florida. Just wanted to let you know we welcome you to EHS.

GREAT SPIRIT Grant that I may not criticize my neighbor until I have walked a mile in his moccasins. (copied)

Happy Thanksgiving  
Thanksgiving is a time to be thankful for all the things God has given us. Some people don't know just how thankful we should be. In some countries people don't even have enough food to survive, and here we are stuffing ourselves with turkey and dressing.

Committee Learn Corsage Making Art  
Eight of Elba High School's girls are learning the art of corsage making. Under the guidance of Mrs. Freddie Cramton, Mrs. Donald Crook and Mrs. Oliver Williams, the girls have taken orders for corsages and boutonnieres, figured the exact amount of materials needed and placed orders for their flowers.

Senior Of The Week Danny Creel  
The student body of EHS elected Danny Creel as "Senior of the Week." Danny was selected on November 18. Danny is the son of Mr. and Mrs. Melton Creel.

Danny is very athletic. He is the quarterback for the mighty Elba Tigers. His favorite sports are football, of course, and track.

Since Danny is very outgoing his favorite teacher is Coach Atkins and his most popular class is bookkeeping.

What characteristics does he like in girls? Well, girls see if you fit in this category, sweet personality, honesty, kindness and gentleness. Danny, however, has already picked out this wonderful girl. So, if your name isn't Glenda, better luck next time.

Football has been his life for the past four years, therefore, he is a loyal member of the Elba Club and this year a member of the annual staff.

What are his plans for the future? Danny believes school is serious and is the foundation for learning

### Happiness

Is Happiness getting an "A" on your literature project, or at least that's the feeling of the seniors who have been studying Shakespeare and his play Macbeth under Mrs. Butts, senior English teacher.

These projects are based on Shakespeare and his works and range from skitfully drawn portraits of Shakespeare himself, such as the one sketched by Vicki Smith, to elaborately constructed buildings, such as this one built by Joel Jones. Other seniors have made colorful maps, drawn posters, written detailed reports on Shakespearean plays and even acted out scenes from his plays.

The projects are the result of a lot of hard work on the part of the seniors and we are sure they will be very proud of them. I have walked a mile in his moccasins, go by and see them on display in Mrs. Butts' room.

Lloyd Crook Speaks To FHA  
The Elba Chapter of the Future Homemakers of America held its regular monthly meeting on Tuesday, November 17 in the high school auditorium.

Operation "Drug Alert" is a state FHA project for school year 1970-71. Because of the growing concern and interest among all people on this subject the entire student body was invited to attend this meeting.

The meeting was called to order by the student body, Deborah Hocutt, Samella Terrell presented the devotional and then Jan Young introduced the speaker for the program who was Mr. Lloyd Crook from the State Department of Education, Montgomery, Alabama. He presented a very informative program on Drug Abuse. A film on marijuana was shown and examples of drugs were exhibited. A question and answer period followed where much interest was shown by the student body.

Band Council Head Organizational Activities  
The Elba Band Council serves as a representative for one of the largest organizations in the school, which is the Band itself. The Council is a guiding body throughout the year. This job requires maturity and leadership. We feel we have those qualities represented in our Band Council.

## FIRE

the neighbor's home (Highway Patrolman Gaston Tew). The fire was reported by a man passing through Elba who told police that apparently the woods were on fire in that area.

The house was not over two years old and had recently been listed by a local real estate office as for sale but fortunately for those looking at houses and unfortunately for Cobb, no sale had been made.

## Tuberculosis Can Be Cured

"The Pill" is not necessarily what you think. For many people in Coffee County it is a bulwark against an ancient disease—tuberculosis.

"Today Tuberculosis can be cured," says Roy Shoffner, Chairman for the Coffee County Tuberculosis Association's Annual Christmas Seal Campaign which aids in the fight against tuberculosis.

"Streptomycin, which is frequently used to cure tuberculosis, is given by injection," says Mr. Shoffner, "but most of the other TB medicine is in pill form. And sometimes patients take more than a dozen pills a day. Pills can even be used to prevent TB, to keep people who have TB germs in their bodies from developing active disease.

It may get to be wearisome, taking pills, sometimes for as long as two years," Mr. Shoffner continued. "But what a small price to pay for beating a disease that has been plaguing mankind for centuries! Today, many patients do not have to have a prolonged stay in a hospital. They can be made quickly non-infectious and return to their homes. They go about their normal lives, living with their families, going to work, just taking their pills."

Patient education in the importance of faithfully taking medicine is only one of the program activities that Christmas Seal Funds support. A constant battle is being waged against TB, respiratory diseases, air pollution and smoking.

## Music Lovers Met Recently In Braswell Home

The November meeting of the Elba Music Lovers' Club was held in the home of Mrs. W. C. Braswell with Mrs. Edwin Cooper serving as co-hostess.

The meeting was called to order by the president Mrs. George L. Collier, who led the club in reading the club collect. The roll was called and the minutes were read by the secretary, Mrs. Robert Davis. The treasurer's report was given by Mrs. Price Ringo. After the business meeting the program chairman, Mrs. Paul King, announced the program for the afternoon. A devotional was given by Mrs. George Collier. An informative paper on the Classical Period of Music was read by Mrs. Bill Hickman. A piano solo, Beethoven Sonata Op. 90 in E minor, was beautifully rendered by Mrs. George L. Collier. At the conclusion of the program Mrs. Kimmy Ham led the club in singing The Thanksgiving Hymn.

Those present at the meeting were: Miss Mabel Brunson, Mrs. Price Ringo, Mrs. Fox Brunson, Mrs. George L. Collier, Mrs. E. M. Warr, Mrs. Bill Hickman, Mrs. Robert Davis, Mrs. George Collier, Mrs. Jack Padgett, Mrs. Terry Butts, Mrs. Paul King, Mrs. Cecil Prescott, Miss Jeanette Garrett, Mrs. Kimmy Hamm and the hostesses.

## Coffee County Call To Be One

Alabama's December inductions continue to plummet downward, with 122 Selective Service registrants slated for army duty, compared to a call for 143 men in November.

Director Hugh J. Caldwell, Jr., said that 244 registrants will be called to the Montgomery Armed Forces Entrance and Examining Station to help fill Alabama's quota toward a national call of 7,000 men.

Caldwell explained that it will be necessary to call 244 registrants to the Induction Station to get 122 inductees because many of those included in the call will have enlisted in some branch of service, and others will fail the final entrance examination.

Nationwide, the order of 7,000 men in December is a 1,000 man drop from the 8,000 of November.

## Turkey Should Be Thawed In Refrigerator

The best way to thaw a frozen turkey is in the refrigerator, says Extension Specialist in Food Preservation Miss Isabelle Downey. Place the frozen turkey on a tray. If it is unwrapped, cover lightly with wax paper. Thaw in the refrigerator until pliable.

If it isn't practical to thaw the turkey in the refrigerator, Miss Downey says to immerse it in its watertight wrapper in cold water. Change water often to hasten thawing. Time required may be as long as six to eight hours for large turkeys.

A turkey can be partially thawed in the refrigerator and then completely thawed in cold water. The specialist says to place the partially thawed turkey in a watertight plastic bag before immersing it in cold water.

Another thawing method for the unstuffed bird is to keep it in its plastic wrap and place it in a closed paper bag. Let it thaw at room temperature. For a 20 to 25 pound turkey this method takes about 16 hours for thawing.

After a turkey is thawed, Miss Downey advises preparing it for cooking the same way as a chilled, unfrozen turkey. Cook the turkey promptly -- within one hour -- after thawing.
